

CELP SPRING 2022 COVID-19 PROTOCOLS

Catalina Environmental Leadership Program [CELP] follows the Los Angeles County Reopening Guidelines for Overnight Organized/Children's Camps: http://publichealth.lacounty.gov/media/coronavirus/docs/protocols/Reopening_OvernightCamps.pdf

****updated March 11, 2022****

We are extremely fortunate that our facilities and program are already set up for cohorting, physical distancing, and being outdoors. Below is an outline of the policies in place to follow protocols. *Please note that processes are subject to change based on LA County Department of Public Health, California Department of Public Health, and CIC.*

Facilities:

- Numerous handwashing/sanitizing stations throughout camp property
- Enhanced sanitation practices of restrooms, dining hall, equipment, and common areas
- Continued cleaning program areas and equipment between uses with cleaning supplies from the EPA-approved list 'N'
- Posted signage for proper hygiene and Covid-19 symptoms.
- Designated shower and store times assigned
- Designated space for free time/play assigned per School Group
 - Ex. Gaga pit, sports courts and beach area will be assigned per school per day and assigned area is rotated daily
- Schools do not use program spaces at the same time with other schools.

Staff:

- All staff members on site are fully vaccinated and have received booster if eligible
- All staff members complete weekly PCR testing
- All staff members follow upgraded mask requirements
- All staff members practice physical distancing

Pre-Trip Planning:

Covid-19 Screening & Testing:

- School Group conducts in-person entry screening of all attendees (students and chaperones) on day of departure to the island/before boarding ferry.
 - Entry screening can be completed via online form or spreadsheet (provided below)
- School Group collects proof of negative Covid-19 test (PCR) 48-72 hours before arrival from all attendees (student and chaperone)
 - If attendee has had Covid-19 in the past 90 days before arrival, they do not need to take a PCR test for entry to CELP. They can show proof of positive test result and take rapid antigen with 24 hours of arrival.
- School group can additionally provide for attendees if applicable:
 - Proof of vaccination
- No admittance to attendee testing positive for Covid-19, showing symptoms consistent with Covid-19 infection, or with a known exposure to an individual confirmed to have Covid-19 within the past 10-14 days
- Encourage attendees to quarantine at home for 10-day period prior to CELP arrival, especially weekend before arrival
- Daily temperature checks taken on site at breakfast
- School collects screening information from participants and signs off upon arrival at CELP that the preventative measures have been met.

Travel Guidance: Please follow issued in and out of state travel guidance:

<http://publichealth.lacounty.gov/media/coronavirus/traveladvisory.htm>

Stable Groups:

- The CELP Activity Group will be considered a “Stable Group”
 - max 15 students + 1 chaperone + 1 CELP Instructor
- Stable Group is assigned 1 Chaperone and 1 CELP Instructor for the duration of program
- Students from 2 cabins will make up the CELP Activity Group (also considered “Household Cohort”)
 - Ex. 8 female students from Cabin A + 7 male students from Cabin B = CELP Group 1
 - Ex. 7 female students from Cabin C + 8 male students from Cabin D = CELP Group 2
- Stable group will sleep, eat, and participate in program together
- All chaperones and attending adults must be fully vaccinated and received their booster if eligible
 - We highly encourage students to be fully vaccinated as well
- CELP Groups participate in program outdoors, using space of cove, and spread out from other groups

Masks:

- Masks required indoors (Dining Lodge, Microscope Lab), in Dining Hall when not at your seat, in communal bathrooms, and when embarking/disembarking from ferry or Shoreboat taxi transportation.
- Surgical, KN-95, N-95 masks only
- All attendees must bring enough masks for the duration of their program plus extras (one new mask per day)
 - School is required to bring their own supply of masks to replace lost or misplaced ones

Physical Distancing:

- 3 feet between all attendees within a stable group
- 6 feet between all attendees outside of stable group

Dining:

- All food served to attendees by staff members wearing PPE
- Reduced capacity in Dining Lodge to collect food
- Staggered entry to Dining Lodge: dismissed at bricks by chaperones
- Markers of where to stand located on floor
- All meals eaten in spacious, open-air dining hall
- Tables spaced 6 feet apart
- Attendees eat with CELP group (stable group)

Sleeping:

- Cabins are open air structures with ample ventilation. Canvas flaps can be rolled up at any time.
- Maximum of 12 attendees in each cabin; more cabins assigned to school group to spread out when possible
- All attendees sleep head to toe
- Bunks are spaced so there is at least 6 feet between head of each sleeping attendee

Illness & Exposure Management:

- Isolation and quarantine location and policy in place on site and following [LADPH Covid-19 Exposure Management Plan Guidance for TK-12 Schools](#)
- Rapid testing available on site for individuals who develop symptoms while on site at CELP
- Should attendee test positive for Covid-19, they will need to depart on next ferry to isolate and quarantine at home.
 - Attendees within same stable group that are vaccinated will be monitored for symptoms
 - Attendees within same stable group that are NOT vaccinated will need to leave the island on next ferry to quarantine at home

CELP SPRING 2022 COVID-19 SCREENING

TO BE COMPLETED FOR EACH SCHOOL ATTENDEE (STUDENT AND CHAPERONE)

Online Form:

<https://forms.office.com/Pages/ResponsePage.aspx?id=H1gBaLvEHEOY9SJrC7YYidbjv6nD3shBhoAqjeCZpuJUNU9BR1pMU1BOWURENjNKMIFaWIdFNlIPVS4u>

Attendee Name: _____

Affiliated School: _____ **Today's Date:** _____

Are you vaccinated?

- Yes
- Partially
- No
- Received Booster (if eligible)

Is your temperature below 100°F today?

- Yes
- No, I have a fever [STOP – You may not attend CELP]
- I don't know

If you do not have a thermometer, do you feel like you have a temperature?

- Yes
- No

Are you experiencing any of the following symptoms of Covid-19?

- Fever or Chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea
- NONE. I have not felt any of these symptoms.

Have you been in close physical contact with anyone with a confirmed case of Covid-19 in the last 10-14 days?

- Yes
- No

Do you believe your answers to be true?

- Yes
- No
